

ABHISHEK KUMAR MISHRA

abhishekkumarmishra82077@gmail.com | [LinkedIn](#) |

EDUCATION

- B.Tech (Computer Science and engineering With Artificial Intelligence | CGPA: 8.24 | (2020 -2024)
Intelligence and Machine Learning) Galgotias University, Greater Noida.
- XII (BSEB) | M.J.K High School, West Champaran, Bihar | 72.4% | 2020
- X (BSEB) | Utkramit M.S. Sabea Kala, West Champaran, Bihar | 65% | 2018

PROFESSIONAL TRAINING

Coding Ninjas ([Certificate](#))

- **Training Area:** Programming in C++
- **Objective:** To develop a knowledge in programming using C++.
- **Description:** Coding Ninjas taught me the basic and advance knowledge of the programming in C++.

ACADEMIC PROJECTS

Language Detection using Natural Language Processing | NLP Libraries

[Try It](#)

- Developed a Language Detection system using Natural Language Processing techniques.
- Created an NLP-based system capable of identifying and classifying Languages in textual data.
- Implemented NLP libraries (specify libraries if notable, like NLTK, SPACY, etc.).
- Collected and pre-processed multilingual datasets for training and testing.
- Utilized machine learning or statistical approaches for language identification.

Portfolio Website

[Try It](#)

- Designed and built a creative and visually appealing portfolio website to highlight my professional experience, education, and skills through educational material.
- I used HTML, CSS, JavaScript, and Bootstrap to design a responsive and user-friendly interface.
- To increase interactivity and engagement, numerous effects were implemented, including picture sliders, hover effects, and contact forms.
- I included interesting images and visuals that matched my sharing of my education, projects, and skills.

TECHNICAL SKILLS

- Languages: C/C++, JavaScript, SQL
- Frontend Development: HTML, CSS, JavaScript, Bootstrap
- Database: MySQL
- Developer Tools: VS Code

CERTIFICATIONS

- Certificate of excellence in C++ from Coding Ninjas.
- RPA virtual internship in Blue Prism under AICTE Program.
- Data Engineering virtual internship in AWS Academy under AICTE Program.
- Cyber Security virtual internship in Palo Alto Academy under AICTE Program.

ACHIEVEMENTS

- Inovate India Coding Championship (IICC), AICTE & CN (2nd round), 20 July 2022.
